"Let my teaching drop as the rain, as gentle rain on the tender grass. Let my words distill as dew, as the showers on the new grass." Deut.32:2

Illness Policy

We can only accept well children. Parents are responsible for withholding their child from school if the child is ill. It is the parents' sole responsibility to determine if their child is ill. If a child becomes ill at the school or in extended care, the parent will be notified to pick him or her up or arrange for someone else to do so. Some symptoms of illness include fever, sore throat, diarrhea, vomiting, earache, cold, cough, red eyes or headache.

If your child shows signs of illness at home do not bring him or her to school. We do not give medicine to children unless prior arrangements have been made. If your child has a contagious disease, you are responsible for letting the child's teacher and the office know immediately, so we can contact other parents. If a child has vomited or had a fever in the last 24 hours, PLEASE keep him or her home out of consideration for other students and staff. A child must be fever free for 24 hours before being considered well enough to attend class.

One final note: We must have a doctor's note stating that your child is to be kept inside during regular recess time or P.E. It is our policy to go outside unless it is raining, too wet or icy, or if temperatures dip below approximately 20° as reported at the Lake City High area weather station. We do take sunshine and wind-chill into account.

Thank you for your understanding with this policy.
